

Press release No.65  
Addressed to: SQF Certified Customers.  
Date: August 1, 2024

## **CMX1 SQF Platform**

We are issuing this letter to inform you that the SQF Institute has officially launched the CMX1 platform, on which you will have to register.

Consider doing it at least one month before the deadline established for the audit event to avoid setbacks due to doubts with the handling of the new platform and thus have enough time to help you solve any situation. We share with you the access links to the CMX1 platform:
